

World Autism Awareness Week

Asperation Convention 31st March 2017

Barclays Eagle

World Autism Awareness Week at Barclays Technology Centre Radbroke

27th March - 2nd April 2017 is World Autism Awareness Week and at Barclays Technology Centre Radbroke we want to create as much awareness and appreciation for Autism as possible.

To celebrate this last year we hosted The Asperation Convention which brought Asperger's and Inspiration together. It was a resounding success and this year we want to make it even better. We hope you will be inspired to think about what a career in technology could offer you.

Barclays Technology Centre Radbroke

How many people work at Radbroke?

Over 3500 people within mainly Operations and Technology teams are based on the 62 acre Radbroke site.

What type of work happens at Radbroke?
