For ASC Adults

Workspace for Autism

The **Workspace for Autism** programme blends skills development in the form of:

- Employability training programme - CVs, Interview Skills etc
- Careers guidance - who is hiring, how transferable skills can be utilised
- Assisted job search - identifying opportunities
- Mentoring and life coach services - working towards goals

The programme is aimed at those candidates who require a more personalised service and includes the following elements:

- Lack of knowledge regarding new/emerging occupations
- Beliefs relating to moving away from benefits and use of in work benefits
- Beliefs relating to employer reactions and value for unemployed people
- Understanding how best to communicate with potential employers
- Improving opportunities to sustain employment
- Activities to support independent travel
- Activities to support working with recruitment agencies

In addition to the above sessions will focus on:

- a) Self presentation for Interviews and Job Fairs
- b) Employment Placements and Volunteering
- c) Self Perception and how this relates to confidence and self esteem

Candidates receive 1 to 1 support over a 12 - week period.

This programme commences in September 2020, with initial meetings at:
Macclesfield Library, Jordangate, Macclesfield, Cheshire, SK10 1EE

The drop in is a chance to meet the team and find out about the programme.

CWP's Autism Spectrum Disorder Assessment and Diagnostic Service

A locally contracted and managed diagnostic service for adults who may have Autism Spectrum Disorder across Cheshire and Wirral, who do not meet the threshold for community learning disability services.

Feedback from people who have accessed the service put into a word cloud

The Service offers:

- * A co-produced assessment format
- * A NICE compliant Multi –disciplinary assessment including Occupational Therapy & Psychiatry.
- * More than a yes/no assessment report- ie, whatever the opinion, helpful advice on what it means to the person & their supporter's.
- * Clear recommendations on the application of reasonable adjustments, how to maximise the person's strengths, address their needs & support them in achieving their aspirations.
- * Appointments in every CCG locality
- * Centralised information, advice and support to wider CWP services to maximise the engagement of autistic adults and the outcomes of any interventions.

Referrals accepted directly from a GP or any CWP service.
Acceptance criteria:

- Adults aged 18+ Wirral and East Cheshire CCGs (16+ for West Cheshire, South Cheshire and Vale Royal CCGs)
- Adults who score 6 or above on an initial self- assessment screening tool (AQ10) and where traits appear to be longstanding.

Social Clubs

Space for Kids, The Saturday Club, Fun Friday and Space for You are tailor made Social Clubs for children and young people aged between 5-18yrs who are on the Autistic Spectrum.

As well as being a time to socialise in a safe environment, the clubs incorporate a programme of activities designed to help your child or young person to become more independent.

It also aims to provide a short period of respite for carers. Our activities provide loads of fun whilst also teaching your children and young people key skills, such as team work, social skills and independence.

SPACE4AUTISM'S mission is to run clubs specifically to enhance the lives of children and young people on the Autistic Spectrum. All our clubs are run by trained professionals who all carry enhanced DBS checks.

SPACE4AUTISM aims to offer a safe environment

Please complete a Club Registration Form to register interest in your child or young person to attend our exciting clubs - **we will also need to have a copy of either your assessment or diagnosis of Autistic Spectrum Conditions, you will not have access to the clubs until we have seen this (this will be shredded once seen, also, we cannot accept children into the clubs who only have a diagnosis of ADHD**

Space4Autism Autism Training Programme

Do you live in Eastern Cheshire? Is your child or young person either waiting for, or has already received, a diagnosis of Autism?

NHS Eastern Cheshire Clinical Commissioning Group has recently commissioned Space4Autism to coordinate and arrange an Autism Training Programme, covering some of the key issues identified by people living with Autism and their parents/families.

All the courses will be delivered by trained professionals, including Speech and Language Therapists, Specialist Nurses, Therapists, Sleep Practitioners and our own in-house staff team.

Email:

info@space4autism.org

for more information

Promoting Good Sleep

Improve your knowledge and understanding of techniques that can help your child/young person sleep.

3 sessions delivered over 3 weeks for 2 hours per week.

Promoting Positive Behaviour

Focused on behaviour and communication skills and how to promote positive behaviour to help your child/young person to self-regulate their emotions more effectively.

3 sessions delivered over 3 weeks for 2 hours per week.

Anxiety Skills Programme

An intensive approach aimed to support parent/carers to manage their own and their child/young person's anxieties related to Autism.

7 sessions delivered over 7 weeks for 2 hours per week.

Supporting Siblings

Aimed at siblings aged 10-16 years to provide an improved understanding of Autism and how this can affect a brother or sister. This will be delivered in an informal 'play' environment and lunch will be provided with access to our Staff Team.

1 x 6 hour session on Saturday or Sunday

Cygnnet

The Barnardo's Cygnnet 6-week programme is widely recognised as an award winning parenting support programme. It is now available to parents/carers of children aged 5-18 years who have been diagnosed with Autism.

6 sessions delivered over 6 weeks for 3 hours per week.

Puberty, Sexual Wellbeing and Relationships (PSR)

This is an additional six sessions available to parents/carers of children aged 11-18 years upon completion of the Cygnnet Course.

6 sessions delivered over 6 weeks for 3 hours per week.

On completion of the Cygnnet/PSR Course you can then be invited to the wider Parent/Carer Training Programme. This programme is also available to those families who are currently waiting for a diagnosis.

Parent/Carer Autism Skills Programme

- What it's really like living with Autism
- Communication
- Sensory
- Food
- Anxiety
- Sleep
- Promoting positive behaviour

7 sessions delivered over 7 weeks for 2 hours per week.

Sensory Knowledge and Skills

Offers parent/carers a better insight into sensory issues and how making small changes can make a huge difference to your child/young person.

2 sessions delivered over 2 weeks for 2 hours per week.

Challenge 15

As many of you know, lots of our fundraising has had to stop due to Covid-19. Of our own fundraising we have lost approximately £40,000 during lockdown. So we need your help more than ever.

This year Space4Autism had its 15th Birthday in May. We had planned a big party which couldn't go ahead.

So we are challenging you to raise £15 for our 15th Birthday.

-Ideas you can do: Cake Bake, Sponsored Silence, 15 Minute or 15 mile walk/run. 15 Star jumps.

We have a just giving page that you can link in to. Why not send the link to your friends and family?

Please send photos for our display wall.

We know times are difficult for everyone but we need your support now more than ever.
