Space4Autism require Children and Young Peoples' Support Workers for Our Social Skills Groups

Pay range from £10phr based on qualifications and experience

Space4Autism are looking for Children and Young Peoples' Support Workers to join the existing team and help to run the following social clubs: -

Space for Kids for children aged 4-7yrs held on alternate Saturday mornings 9.00am-12noon
Saturday Club for children aged 8-10yrs held on alternate Saturday afternoons 12-3.00pm
Fun Friday for children aged 10-13yrs held on alternative Fridays 6.00pm-9.00pm
Space for You for youths aged 14-18yrs held on alternative Fridays 6.30pm-9.30pm
New from January 2022 – Space Mates afterschool 4-6pm

You should have a good knowledge of Autism Spectrum Condition gained by working in a professional capacity either in a care or school setting. You should also have a passion for helping and developing social skills for these children and young people through a variety of activities. We are looking for individuals who can make a regular commitment to the sessions at The Space Centre, as described above but may also require you to supervise activities on outings away from the premises.

We would also like to hear from any students studying towards working with children with ASC.

To apply please contact cheryl@space4autism.org and we will send you a job description, and an application form.

Closing date: 30th October 2021

Interviews will be held with representatives of the Staff team around some time in November.

"Space4Autism is fully committed to equality of opportunity and diversity and we welcome applications from all suitably qualified candidates. All applications will be considered solely on merit."

Space4Autism is committed to safeguarding and promoting the welfare of its members and successful candidates will be subject to a DBS check."
