Space4Autism require Project Manager to oversee all our activities

Pay to be discussed at interview based on qualifications and experience

Space4Autism are looking for a Project Manager to join the existing team and help oversee all our activities here at Space4Autism

This will be predominantly a Monday to Friday role, however, you will be expected to work at some of our social clubs at the weekends and also maybe some evenings.

You should have a good knowledge of Autism Spectrum Condition gained by working in a professional capacity either in a care or school setting. You should also have a passion for helping and developing social skills for CYP and Adults through a variety of activities.

Note: we would also require you to help with the social clubs during the 1st 12 months whilst our club manager is away on maternity.

To apply please contact cheryl@space4autism.org and we will send you a job description, and an application form.

Closing date: 19th June 2022

Interviews will be held with representatives of the Staff team around some time in November.

"Space4Autism is fully committed to equality of opportunity and diversity and we welcome applications from all suitably qualified candidates. All applications will be considered solely on merit."

Space4Autism is committed to safeguarding and promoting the welfare of its members and successful candidates will be subject to a DBS check."
