Counselling Space For ASC Adults

Our Counsellors will be continuing to provide counselling sessions for our ASC adults.

Sessions are offered in a variety of ways. Some people prefer to see a face and have sessions on Zoom. Some people just need a voice and prefer sessions to be over the phone. Sometimes a voice or face can be a bit too much, so we can also offer typing therapy using an app called Telegram.

Criteria: You must be on the pathway or have a diagnosis of ASC, and, be a member of Space4Autism.
