

Macclesfield Autism Friendly Session - Funtopia Event Description

The BIG day out for little kids is coming to Macclesfield for the first time ever, this year we are holding an Autism Friendly Session at EVERY Funtopia!

After a hugely successful trial of our Autism Friendly Sessions in 2022 we have decided to offer one session at the start of every Funtopia this year. Our aim is to provide an enjoyable and memorable event, which is accessible for children and families of all needs and abilities.

Our fun-filled festival - designed especially for under 10's, is filled with all the fun and games your family could want to make this exciting visit one to be remembered! Funtopia has high energy inflatables, role play areas, shows and competitions, character meet and greets, giant games, huge water fights, a tasty food court and more!

We even have an incredible Under 5's area for our mini guests, filled with Bouncy Castles, Soft Play, Ball Pool, Ride On's and other fun toys and games.

Our Autism Friendly Sessions are not only open to children with autism, but children with SEND and mobility disabilities. The morning sessions have been created especially for children who may struggle to attend a general Funtopia event. Each session has limited numbers, no music, sensory games and activities! Siblings are also welcome!

Our Food Court will have breakfast and brunch meals on offer, whilst our sweet and dessert stands will be open to offer tasty treats to eat on site or take home!

Don't forget to treat those at home as you wander around our Independent Trade Stalls which have a selection of unique products for sale.

Our 60+ day 2023 Tour shall include a variety of exciting new activities and attractions which shall be revealed throughout the winter. Follow our Facebook Page www.facebook.com/funtopiauk for all the latest news and updates! 😊
