## FREE WORKSHOPS

### FAIRGROUND ART

BY STEVE SMITH

#### ROOM 1

Age Range 8 – 15 year olds  
10 people per session

In this short session, the learner will have a brief overview of the history of the travelling Fun Fair, where they came from, who the showmen are and a touch on their lifestyle.

The learner will then be given their own Fairground sketch template and have the opportunity to create their own Fairground Art as they allow themselves to use their own imagination.

They will then be able to take this away with them with an example copy to carry on completing this in their own time.

### SUBLIME SCIENCE

Multi-award-winning Sublime Science will be providing spectacular interactive science experiments & hands-on activities including:

- Fizzing Potions,
- Bubbles and Flying Giant Smoke Rings,
- Goopy Slime-Making, Yummy Sweet Making,
- Tornado Races,
- Flying Stuff and spectacular science experiments to get the children really excited about science!

#### ROOM 2
