

Looking for
guardians & caregivers of
children with

AUTISM SPECTRUM DISORDER

for a research project aiming
to discover the barriers to
physical activity for children
with ASD in the UK

If you volunteer, your participation will
consist of a short pre-interview
questionnaire and an **online interview** in
Jan/Feb 2025

If you're interested, please contact Hannah Shaw
(a medical student at the University of Edinburgh
studying a BMedSci in Physical Activity for Health)
at s2276271@ed.ac.uk with the subject
'Research study volunteer'
